Building Information Enhancer

by CODE.ING

The AMOS project (SS24 Team4)
Industry partner: BUILD.ING
Product Owners: Oliver Pfeil, Tanja Yakovenko
Scrum Master: Erik Fischer
Software Developers: Emil Balitzki, Nicolas Bandel, Leon Holtmeier, Ahsan Khan, Lucas Nandico, Celine Pöhl
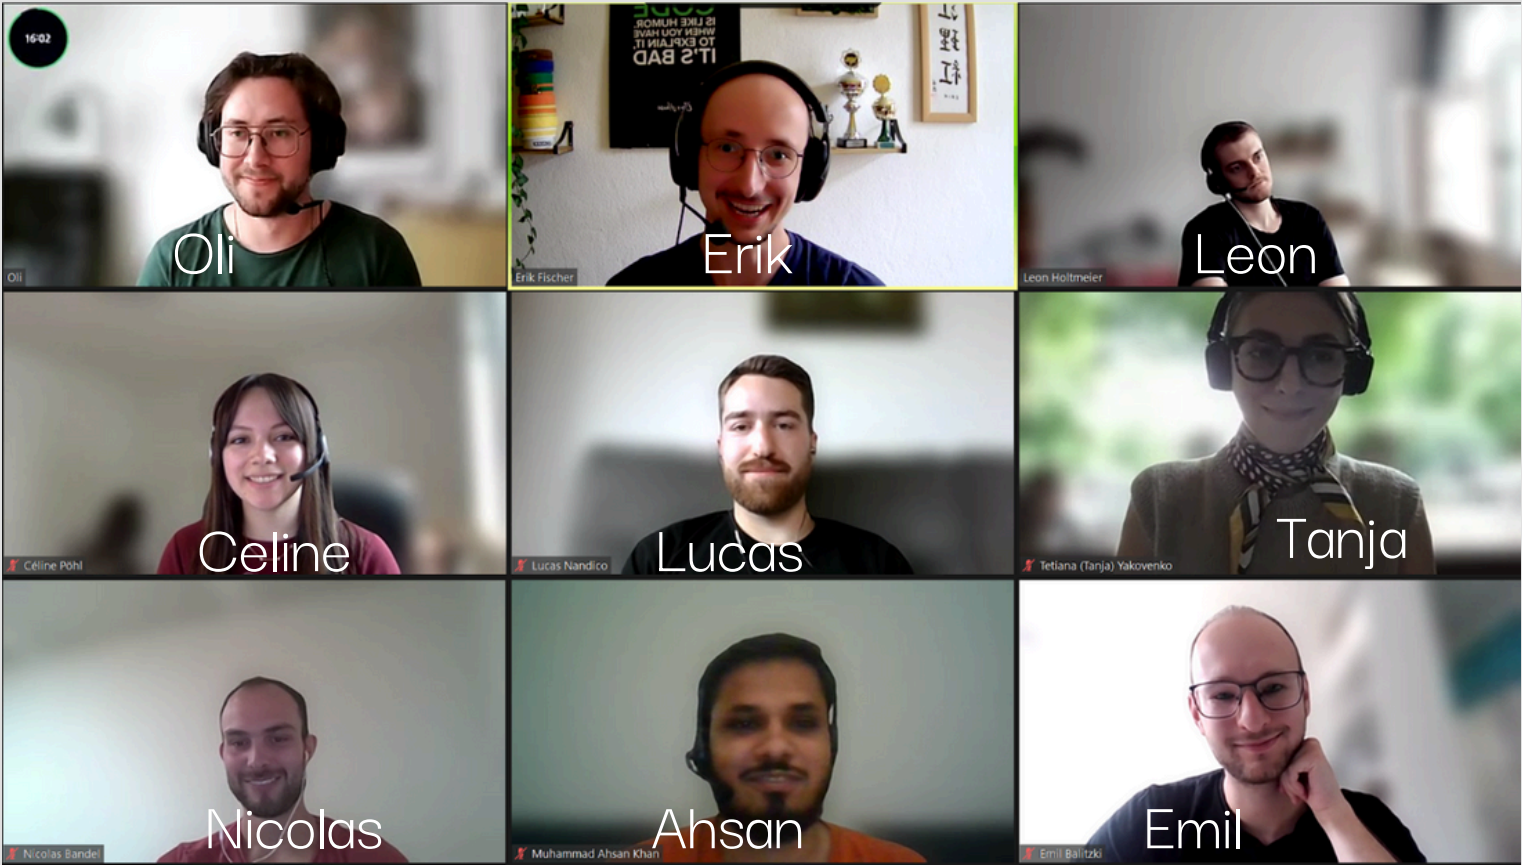

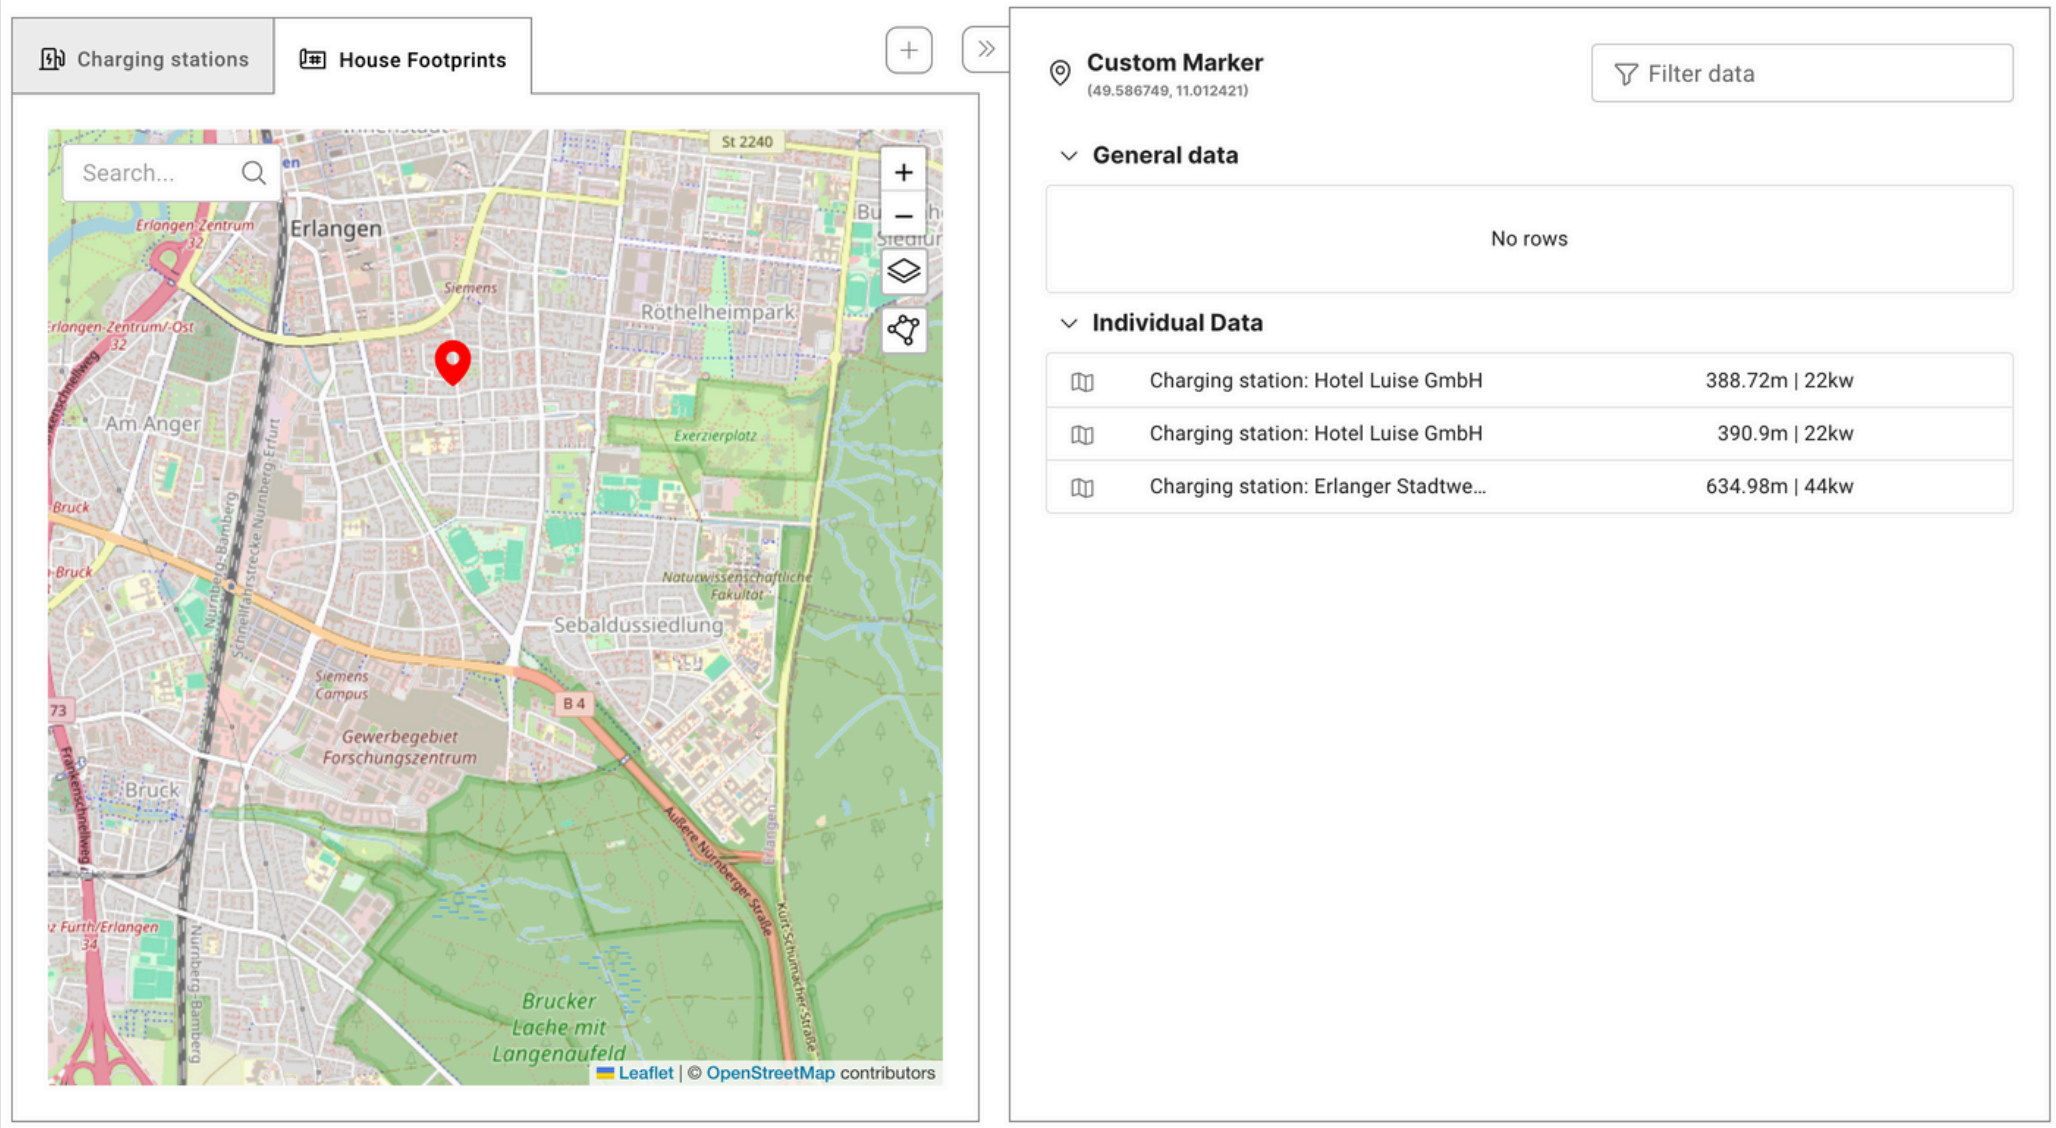

Problem

Urban planners and developers often struggle to access and analyze comprehensive data, impacting decision-making and sustainability efforts.

Solution

Our solution centralizes diverse data into a single data lake, streamlining access and analysis for enhanced urban planning and sustainability evaluations.
